**These statistics are non-cumulative. Cases may involve multiple victims and include female, male, and transgender individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.
**To protect the identity of the people we serve, the NHTRC does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.*

LOCATION OF POTENTIAL TRAFFICKING CASES (WHERE KNOWN)*

**These maps only reflect cases in which the location of the potential trafficking was known. Some cases may involve more than one location and are not reflected in this map.*

Important Note: The data displayed in this report was generated based on information communicated to the National Human Trafficking Resource Center hotline via phone, email, and online tip report. The NHTRC cannot verify the accuracy of the information reported. This is not a comprehensive report on the scale or scope of human trafficking within the state. These statistics may be subject to change as new information emerges.
