

Women in the WI Legislature

Prior Experience in State and Local Government Elected Office, 2017

August 2017

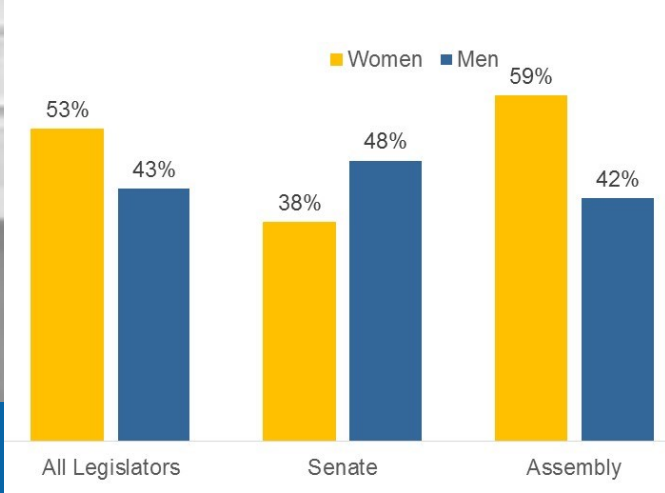

53%

The majority of the women serving in the 2017 Wisconsin State Legislature (53%) held **local elected office** prior to serving as legislators, compared to 43% of their male counterparts.

Assembly vs Senate

Women in the Assembly are more likely than their Senate colleagues to have held local elected office (59% vs 38%), while the opposite is true for male legislators.

Current State Legislators who have held Local Government Elected Office

47%

 COUNTY BOARD

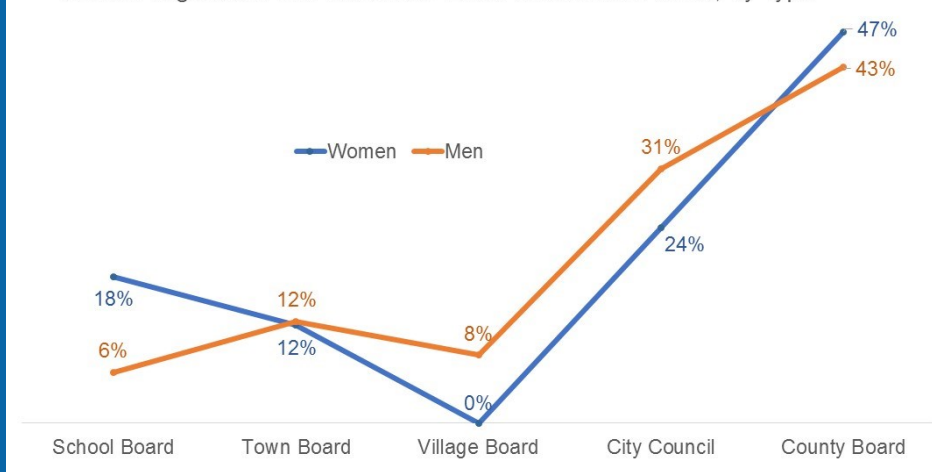

County Board is the most common level of local elected office, among all current legislators who have served in local government, followed by **City Council**; while women are 3x more likely than men to have served on a **School Board**.

88%

 ASSEMBLY to SENATE

The majority of WI State Senators served in the Assembly before moving to the Senate. Most (7 of 8, or 88%) of women in the Senate first served in the Assembly, compared to 64% (16 of 25) of their male colleagues.

Current Legislators who have held Local Government Office, by Type

Rebekah Baas, Research Assistant

Wisconsin Women's Council

Since 2005, the Women's Council has tracked and published statistics on women in state and local elected offices in Wisconsin, including post-election fact sheets updating data on Women in the Wisconsin Legislature.
