## **Dr. Rosalyn McFarland**

Brown Deer

**Board-Certified Family Nurse Practitioner  
MyNP Professionals Family Medical Clinic, CEO & Founder**

Dr. McFarland is a Board-Certified Family Nurse Practitioner and the CEO and Founder of MyNP Professionals Family Medical Clinic in Brown Deer, Wisconsin. She provides primary care to patients across the lifespan, with her mission to provide patient-centered care. Dr. McFarland also devotes time in academia teaching for online Graduate Nurse Practitioner Programs.

Dr. McFarland has been a Family Nurse practitioner for 11 plus years and a Registered Nurse for 16 plus years. She is the author of a peer-reviewed journal CME article “Early Identification of Pancreatic Cancer,” featured in the Clinician Reviews peer-reviewed journal. She has presented podium and poster presentations locally and nationally on various health care related topics.

Dr. McFarland was featured in the Milwaukee Journal Sentinel for her involvement in integrating primary care into a behavioral health care setting. She is a Fellow of the 2018-2019 Duke Johnson & Johnson Nurse Leadership Program, where she implemented a Diabetes app for individuals living with Diabetes titled “Whatz Diabetes.” She is the recipient of the Milwaukee Business Journal 2016, 40 under 40 Award; Milwaukee Times 2017, Corporate Trailblazer Black Excellence Award; and the 2016, American Association of Nurse Practitioners State Advocate Award.

Dr. McFarland is the CEO and Founder of the Wisconsin Association of Nurse Practitioners. She is a member of various professional organization, including the Wisconsin APRN Coalition, American Association of Nurse Practitioners, and Wisconsin Nurses Association.

Born and raised in Wisconsin, Dr. McFarland is a graduate of Milwaukee Area Technical College, Alverno College, and Concordia University Wisconsin. Dr. McFarland is married and has two step-daughters.
