Green Bay

Communication/Event Production Consultant

Denise Gaumer Hutchison is the NE Regional Organizer for the Wisconsin Public Education Network. Previously, she worked for WEAC (Wisconsin Education Association Council) as an outreach coordinator during election seasons and for WEA Trust as a Field Representative where she worked with over 100 school districts in northeast Wisconsin on their benefit packages.

Denise has spent a number of years producing events all over the United States and in Wisconsin. Before moving to Green Bay, Denise lived in Milwaukee where she worked for The Hunter Group, an event marketing business. While there she served on the Government Relations Committee of the Milwaukee Women's Fund. In 1998 Denise moved to Green Bay to work for WEAC as a Great Schools Coordinator. She was also the Chair of the Green Bay De Pere Business and Professional Women. Denise has been very active in the Green Bay Area School District where she has chaired, for the community, the "Yes" committees for the last three referenda. She has also served on the Superintendent's Parent Advisory Board and is a member of WPEN (Wisconsin Public Education Network). Denise has recently been appointed to the board of the League of Women Voters of Greater Green Bay.

"I am honored," Denise said, "to be serving on the Women's Council as issues related to gender equality, fair education opportunities and comprehensive health care for women and girls are extremely important to me."

Denise is a graduate of Iowa State University with a degree in Communications. She lives in New Franken, just outside Green Bay with her husband and two children.
