Karen Katz

Madison

As the Operations Lead at the Wisconsin Office of Children's Mental Health (OCMH) in Madison, Karen oversees the Children's Mental Health Collective Impact (CMHCI) initiative's backbone activities. The CMHCI Executive Council and work groups' activities are leading to new ways of thinking about service integration, measurement, and outcomes.

Karen has a strong professional background in Marketing and Communications. Prior to joining OCMH, she was a Marketing Director at two Central Wisconsin business for 16 years. Her passion has been the non-profit work she has been involved in for over two decades in Central Wisconsin. She is a recipient of the Athena Award (presented by the Wausau Chamber of Commerce in 2013) and United Way of Marathon County's 2015 Volunteer of the Year.
